### Officers & Board Members Election

It is time for our up-coming election of new Officers and Board member appointments. Election takes place in November and new offices begin in January, 2008.

If you feel you could get involved and help your club by volunteering for an office position *please* reply to President, Belva, any Board member and/or Editor as listed on Page 2. The more you and others do to help, the better our club is

for all members.

There are several positions open for both the Officer and the Board Members. If you are interested in one of the positions, and want to see the various job descriptions, check out our website at <http://users.snowcrest.net/ibmpcugr> and link to "You And Your Club."

Sincere thanks for taking a moment to read this and help if you can.

### Motherboard Newsletter Policies and Deadlines

The *Motherboard* newsletter is published monthly by the Computer Users Group of Redding, PO Box 494778, Redding, CA 96049-4778. The CUG is a 501(c)(3) non-profit corporation. Subscriptions are included in the \$25 annual membership fee. The purpose of the newsletter is to inform members of upcoming events and provide information about the use of IBM compatible computers.

**Disclaimer:** Neither the CUG, its Officers, the Editor, nor the newsletter contributors assume any liability for damages incurred due to the use of information provided in this publication.

**Reprints:** Articles from this newsletter may be reprinted by other user groups if credit is given to both the author, CUG and the *Motherboard*. Mail a copy of the newsletter where the article is reprinted

to the Editor at the address in the first paragraph of this text.

#### Personal Ads For Members:

Requirements are:

1. Advertiser must be a member.
2. The item must be computer-related.
3. The ad must be received by editor J. Ball by the *monthly date of the board meeting*. Sorry, no exceptions.

Other terms must be approved by the club's Board of Officers and Directors.

**Article Submissions:** All articles and reviews must be submitted to J. Ball by the *Monday of the monthly Board meeting (see Page 1 for date.)* Sorry, no exceptions.

**Motherboard Editor** reserves the right to make corrections and deletions in all articles in the interest of grammar, style, and space.

## From The Board

*It's your club. Your input is of value to us...*

After checking around town by several members for a more centralized meeting place before winter, President Belva Sullivent discovered that our new Redding Library has a conference room opened to non-profit organizations at no cost before 8 pm, and \$50 for the first hour after that. She has signed up with the library for our November meeting. There will be a map to the library and more information in the November's Motherboard. Be sure to come to the October meeting on the 16th, **still at the church in Palo Cedro**, to find out more about our move and the accommodations offered by the library.

This is an exciting development for the central location, especially for those unable to get to Palo Cedro in the dark of our winter season. Belva has spent much time in the last two months researching various places and finally arranging this one for us.

Belva has also joined Fred Skill at the library to teach beginners on Tuesday the 2nd and again on the 9th of October from 10:30 to 12:30. There are 24 hands-on computers. And Fred, as we learned at September's meeting, teaches computer classes at the library on a weekly basis.

Other classes at the library include Genealogy (Family History), Excel, Beginning Internet, Beginning Word 2007, and E-mail. Just call or visit the library for a pamphlet of all the offerings and a calendar of dates and times.

By the way, volunteers to help are very welcome. Besides calling the library, Fred Skill would also be a good contact for information at [fredskill@shasta.com](mailto:fredskill@shasta.com).

#### FROM THE EDITOR

Missing a few pages this month? Well, it is only for this month, because I am on a trip to Hawaii and the preparation left me little time to put out the usual 12-page newsletter. But your November issue should be back on track. So, please bear with me.

Bill and I will resume our SIG classes on October 24th.

See you then and in the meantime don't miss the next general meeting to continue the panel discussion and questions.

Judi Ball

## Why Join A Computer Group?

1. Benefit from a common interest in a personal (and costly) investment: Your business or personal computer.
2. Enjoy more of that investment by learning more about it.
3. Share tips and tricks, as well as new and old ideas.
4. Become exposed to a variety of new hardware and software without sales pressure.
5. Receive an informative monthly newsletter.
6. Have access to various club functions and all Special Interest Groups (SIGs).
7. Find out that no one needs to be alone and helpless with today's computer technology.
